1. The Nationalist 40 Regiment of 14 Division is now driving toward Huan-jen (125-21, 41-16), which was again attacked by Communists on 7 February. On 7 February, two battalions of 3 Regiment of 207 Division were surrounded by Communists at Heiao-cheng-tzu (125-47, 42-03). The Nationalist Temporary 21 Division is sending reinforcements there. On 8 February, the Northeast China Command (NECC) ordered the 91 Division to Mei-ho-kou (125-41, 42-32). It probably will be used for offensive operations, relieving the 195 Division, which guards Huan-jen and Tung-hua (125-57, 41-41).
